Problem Gambling Training

14 hours of Continuing Education

May 20 and 21, 2015
Indianapolis
8:30 am to 4:30 pm daily
This training is for both new and experienced counselors

Indiana Problem Gambling Awareness Program

The Indiana Problem Gambling Awareness programs is offering a two day training for counselors in training as well as those who have been working in the field for some time. This training will improve your knowledge about problem gambling and treatment interventions.

Topics include:

- Issues of problem and pathological gambling
- Gambling counseling theory and practice
- Regulations and ethical issues
- Financial aspects of remuneration

Special Topics and Populations:

- Young Adults
- Older Adults
- Female
- Military
- Cultural Competency

Who should attend?

This training is an opportunity for those who are addiction or mental health counselors, as well as social workers to learn more about treating problem gamblers.
