Have you ever felt the need to bet more and more and more money?

Have you ever had to lie to people about how much you gamble?

An answer "yes" to either or both of these questions may indicate a problem with gambling.

Lie Bet Screen by Johnson, E.E., et al. (1988).

Ms. DeSalle provides MI and SBIRT training to multidisciplinary audiences across the country.

Indiana Disordered Gambling Call Options

IPGAP offers two different types of calls for disordered gambling providers. Check out the information below to find out which calls are right for you!

Clinical Consultant Calls:

✓ These calls are intended for **any level of counselor** who would like to improve skills. These calls provide the opportunity for counselors to present or learn about a disordered gambling client case study and then discuss treatment. This is a wonderful opportunity to ask questions of a National Council on Problem Gambling Board Approved Clinical Consultant (BACC). These calls will also provide participants with 1 CEU.

✓ All contracted disordered gambling provider counselors are required to participate in at least two of these calls per year. This includes lead disordered gambling counselors as well as disordered gambling counselors with or without an IPLA license.

✓ These calls take place the second and fourth Friday of each month from September 2018 to June 2019. These calls are from 2:30pm to 4:00pm eastern time. You must register for the call at: https://iu.co1.qualtrics.com/jfe/form/SV_cualPXLrp7NTs8t. You will receive an email with the call information after you have registered.

Provider Calls:

✓ These calls are intended for **lead counselors and administrators** of contracted disordered gambling providers in Indiana. Each contracted provider in Indiana should have at least one agency member, such as a lead gambling counselor, on the call.

✓ These calls will take place from 10:00am to 11:30am eastern time on September 12th, December 12th, March 6th, and June 12th.

✓ The call will begin with an educational component followed by provider update information from DMHA and IPGAP. This may include manual changes, contract information, or upcoming events. These calls will also provide participants with 1 CEU.

If you would like to participate in one of the calls, but do not have the call information, please contact Heather at: hdolne@iu.edu.

Still unsure about which calls you should participate in? Please contact Desiree: desiree@indiana.edu or Mary: maholtc@indiana.edu.
