Data from American Gaming Association, ranks among 19 states with legalized casinos and/or racino's. (GDP and State Income Tax revenue from usgovernmentrevenue.com)

Indiana Appropriations for Problem Gambling Treatment

- Indiana Gambling Tax revenues (2009): \$ 875 million.
- By law, Indiana Division of mental Health and Addiction (DMHA) is apportioned a subtotal of this amount for programs and facilities for the prevention and treatment of addictions to drugs, alcohol, and compulsive gambling, including the creation and maintenance of a toll free telephone line to provide the public with information about these addictions. At least 25% must go directly to problem gambling screening and treatment.

DMHA is appropriated 5.2 million annually by law.

5.2 million/ 875 million= 0.59 % of gambling tax revenue in 2008

Gambling Allocation for SFY 2010

DMHA Gambling Tax Revenue Budget Plan for \$5 million dollars in 2010
